

# How to search the internet using Google

---

At the top of any page on your browser (the window that you open to use the internet), Google into the Search Bar

Here's a link to [Google](#). You will come to this screen:

Google Search

I'm Feeling Lucky

Type in whatever you want to search for into the search box:

A screenshot of the Google search bar. The search bar contains the text "Support for autism" and is highlighted with a red rectangular border. To the right of the search bar, there is a close button (x) and a microphone icon.

Google Search

I'm Feeling Lucky

Then Click Search or press the Enter key on your keyboard.

**5 Look at the search your results.** Search through your list of web pages for more information. If you find the information you are looking for, click on the link for the web page to go to it and read more.
